education program.**

**Registration begins at 6 pm with the

Reservations are required and must be made by the Thursday preceding the meeting. If you need to cancel please notify SANAP so that someone else may have your spot.

Please spend some time talking to our student members. Remember what it was like when you were a student starting in the world of being a Nurse Practitioner. Book knowledge and actual work experience are so different and intimidating!!! You are wealth of experience and you can impart some of this to the student members.

Opportunities for volunteers!! We need a volunteer to set up The SANAP team for the Race for the Cure to be held April 4th. You can either participate as a runner/walker or volunteer your Time.

Please understand with the new Pharma guidelines, obtaining CEUs will be more difficult. Many of the drug company budgets Have been drastically reduced and there are lay offs throughout the industry. We may have to be creative and hold meetings on our own. We will evaluate as things over the next few months And keep you informed. If you have any ideas for meetings, Please come forward and let us know.

We would love to have ideas as to how you would like to see the organization develop. Please feel free to email me with ideas at OldOnce@aol.com.
